

## Science Home Learning-Autumn term 2

Reception	<p><b><u>Seasonal Changes</u></b> Go on an Autumn walk and collect a range of different shaped leaves. Use your leaves to create a collage of leaf rubbings.</p>
Year 1	<p><b><u>Seasonal Changes-Autumn &amp; Winter</u></b> Create a collage picture of weather/images that remind you of either Autumn or Winter.</p>
Year 2	<p><b><u>The Environment</u></b> Explore the art works of Henry Rousseau as a starting point to help you create some of your own amazing rainforest art.</p>
Year 3	<p><b><u>Light</u></b> Can you make a poster to explain to people how to be safe in the sun? Explain why the sun is dangerous and what you can do to protect yourself.</p>
Year 4	<p><b><u>Sound</u></b> Create a 3D model of the ear using clay, mod rock or modelling clay. Can you add labels or an explanation of how the ear enables us to hear sounds?</p>
