

Science Home Learning-Spring term 2

Reception	<p><u>Life Cycles</u></p> <p>Using a medium of your choice create a piece of artwork to show the life cycle of a butterfly.</p>
Year 1	<p><u>Scientists & Inventors</u></p> <p>Look around your home or school and find an invention that you think is incredible. Draw a picture of this invention and write a sentence to explain why you think this invention is so incredible. Some ideas include a television, computer, phone, tablet, light bulb or fridge.</p>
Year 2	<p><u>Scientists & Inventors</u></p> <p>In this activity children have the chance to research a scientist or inventor of their choice, using their research to construct an interactive flap book (<i>which the class teacher will provide to all pupils at the start of the unit</i>).</p>
Year 3	<p><u>Scientists & Inventors</u></p> <p>Can you come up with your own invention? Design and label your own invention explaining how it will make life easier for people.</p>
Year 4	<p><u>Scientists & Inventors</u></p> <p>Create a comic strip to tell the story of an invention or inventor that you have learnt about.</p>
