

Science Home Learning-Summer term 1

Reception	<u>General Investigation</u> Can you make a bridge using marshmallows and spaghetti?
Year 1	<u>Seasonal Changes: Spring & Summer</u> Choose your favourite thing about each season to draw and label. It could be the weather, an event such as Wimbledon or an occasion such as a birthday or a festival.
Year 2	<u>Living Things & Their Habitats</u> Choose and sort objects from your home and garden into categories depending on whether they are living, dead or have never been alive.
Year 3	<u>Forces & Magnets</u> Draw and label your own pictures to show examples of pushing and pulling actions.
Year 4	<u>Electricity</u> Essential and Non-Essential uses of Electricity (get sheet from class teacher): Investigate your own use of electricity for a day and consider if your use of electricity is essential or non-essential.
