

## Autumn 1 Curriculum Homework Tasks

### Year 2 Autumn 1 Homework Tasks

Each week children will be given a piece of English or mathematics homework (usually using Purple Mash) and will also be asked to complete **ONE** of the following tasks that links to their other subjects in class. Using our 'Marvellous Me' App teacher's will inform children and parents which task is to be completed each week.

Science

Uses of Everyday Materials - Go on a materials hunt around your house. How many different types of materials can you find? Can you sort the objects into groups depending on what they are made from? Make a list or take a photo and share it on our class blog on Purple Mash or email the photo into school.

History

Travel and Transport- Whatever Next! In this task, the children will have to use their imaginations to invent a new way people in the future will travel. Use recyclable materials to build your own invention and bring your invention into school for show and tell. We can't wait to hear all about it!

French

Harvest- This half term we are learning how to say different food in French. Can you draw and label a picture of your favourite food? Try and label the food in French!

Hands, Feet, Heart - South African Styles

Learn <https://charanga.com/resources/10389-learn-to-sing-the-song-hands-feet-heart>

Play along to the song above using homemade instruments (e.g. pan & wooden spoon, sealed container with rice in etc) or actual instruments if available. Or you may want to include actions to help you learn the song. You can send in photos or demonstrate to the class what you did during the next music session!

Real PE at Home-Fundamental Movement Skills- Pirate- Static Balance- One Leg Balance

1. Login to real PE at home and choose Year 2.
2. Click on 'Themes'.
3. Click on 'Pirate'.
